

SPARE PARTS CATALOGUE

2S BS4 

World's No.1 Three Wheeler

Compact
PETROL, CNG, LPG

All information contained in this manual is based on the latest product information at the time of publication. Bajaj Auto Limited accepts no liability for any inaccuracies or omissions in this publication, although every possible care has been taken to make it as complete and accurate as possible. All procedures and specifications subject to change without prior notice. The right is reserved to make such changes at any time without prior notice and without incurring an obligation to make such changes to product manufactured previously. Contact your authorized Bajaj Dealer for the latest information on product improvements incorporated after this manual was issued.

DOC. NO.: 71112797

REV.00, DEC.2017

We have pleasure in presenting the Spare Parts Catalogue for '**RE COMPACT 2S (PETROL / CNG / LPG)- BS4**' Vehicles. This catalogue has been specially designed to assist you in selecting the correct parts to maintain your vehicle in best running condition.

The Bajaj spares are subjected to the stringent quality control standards to ensure longer life of the vehicle. It is therefore necessary that only the Genuine Bajaj Spares are used.

In a continual effort to improve performance & efficiency of the vehicle, Specifications, Diagrams, Illustrations and Part Numbers can change without notice. Consequently, the description in this Spare Parts Catalogue cannot therefore be final and binding on us.

The modifications / alterations which are carried out after the issue of this catalogue, will be conveyed to you through our service circulars. You are requested to make necessary corrections in the parts catalogues as per the circulars so as to keep your catalogues up to date. This will ensure the appropriate and speedy delivery of the spare parts as the order placed will bear the latest part numbers.

For latest information of serviceable spares, refer catalogue on dealer portal.

In case, if you need any technical assistance contact the concerned Regional Office or write to us on the following address :

Service Department
Bajaj Auto Ltd.
Akurdi, Pune 411 035 India
Phone : 020-66106104
E-mail : service@bajajauto.co.in

1. How to Read the Catalogue : In case, if you have the part number and you need the other details, the part index can be used. The part index (at the end of the catalogue) will give you the figure and page number of the part you wish to order.
2. How to Order Spare Parts : The part number and the description of the part required should be invariably mentioned in the order as per the catalogue text.

The latest part number as conveyed through our service circulars should only appear on the order. In case of ordering painted components, colour shade of the components should be mentioned.

The quantity shown against the part number is the quantity per vehicle for that group so that particular quantity should be multiplied by the number of sets required.

3. Part Number System: We have used 8 digit system for part numbers. The model or hardware item is indicated by first two digits or alphanumeric, the next two or four digits indicate main group and the last four or two digits indicate serial number in main group or serial number or subgroup of fastener respectively. Thus the part numbers will be indicated by 2-4-2 digit system. Understanding this system will enable you to identify the spare parts easily.
4. Abbreviations: The following abbreviations are used in this catalogue.

Assly - Assembly	mtg - Mounting
LH - Left hand	RH - Right hand
FR - Front	RR - Rear
NS - Not serviceable	NI - Not illustration
KS - Kick start (part)	alt - alternate

5. Abbreviations (model name) :

24 -	Petrol
AG -	LPG
AS -	CNG

No.	Description	Page No.
1	Engine and Crankcase	1,2
